Dear Shareholder

2021 Annual General Meeting

1. Notice of Annual General Meeting

I have pleasure in sending you notice convening the annual general meeting of InfraStrata plc (the “**Company**”) (the “**AGM**”). The AGM will be held on Sunday, 31 January 2021 at 11.00 a.m. at Northern & Shell Building, 10 Lower Thames Street, London EC3R 6AF. The items to be considered at the AGM are set out in the formal notice of meeting which follows this letter (the “**Notice**”) and the purpose of each resolution to be proposed is set out in the explanatory notes on page 6 of this document.

2. Impact of COVID-19 on AGM arrangements

In light of the COVID-19 pandemic and the UK Government’s restrictions on public gatherings and non-essential travel, which are in place at the time of issuing the Notice, the Company is adopting the following AGM arrangements in order to ensure that the health and safety of our shareholders, directors, employees and other key stakeholders is protected:

- The AGM will only address the formal matters contained in the Notice.
- In accordance with the Company’s articles of association, the quorum necessary to constitute the AGM is two members in person or proxy; therefore, two members (being two director members) will be in attendance in person at the venue to form the quorum and conduct the business.
- Attendance by additional shareholders is not considered as ‘essential for work purposes’ and so would not be permitted under the current restrictions. Shareholders may not attend in person and will be refused entry to the AGM given the current restrictions.
- All shareholders are urged to appoint the chairman of the AGM as their proxy, with voting instructions. Please refer to the notes to the Notice on page 7 (the “Notes”) for more information regarding proxy voting. It is emphasised that any forms of proxy being returned via a postal service

should be submitted as soon as possible to allow for any delays to or suspensions of postal services in the United Kingdom as a result of measures being implemented by the UK Government.

- In the event that the arrangements for the AGM change due to the UK Government changing the current restrictions or implementing further measures relating to the holding of general meetings prior to the AGM (including the arrangements outlined above), the Company will issue a further communication via a regulatory information service and on its website at <https://www.infrastratapl.com/>.
- As usual, the results of the AGM will be announced as soon as practicable after the AGM has taken place.

We would like to thank all shareholders for their cooperation and understanding.

3. Shareholder engagement

The Board recognises the ongoing importance of communication with shareholders at this time. Accordingly, the Company is proposing to allow shareholders the opportunity to raise any issues or concerns arising from the business proposed to be conducted at the meeting. Appropriate questions on the business of the meeting should be emailed to investor@infrastratapl.com; please include a shareholder reference number in any correspondence. Responses will be posted on the Company's website on the morning of the AGM. The Company will answer any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

4. Business to be conducted at the annual general meeting

An explanation of the resolutions being proposed at the AGM is set out at the end of this document, on page 6.

Ordinarily at the AGM, the Company would (amongst other business) lay its reports and accounts before shareholders and appoint auditors (and authorise the Board to determine the auditors' remuneration). However, the business at this year's AGM will not include the consideration of resolutions dealing with the reports and accounts and auditors. The reasons for this are set out below.

The Company is required to hold an annual general meeting within six months of its financial year end (31 July 2020) and so the Company is holding the AGM before the end of January 2021.

The COVID-19 pandemic has led to a range of temporary measures being put in place to assist companies with filing their annual reports and accounts, with the Government recognising that current circumstances have for many companies significantly affected their timely filing. Pursuant to the Corporate Insolvency and Governance Act 2020 and regulations made thereunder, the deadline for filing accounts under the Companies Act 2006 has been extended such that, for public companies with accounts and reports filing deadlines that fall between 27 June 2020 and the end of the day on 5 April 2021, those companies now have nine months following the accounting reference date to file accounts and lay them before members.

This extension has created a tension between the time within which the annual general meeting is required to be held (six months after the year-end) and the time within which the Company's reports and accounts have to be filed (nine months after the year-end). Whilst the Company does not intend to utilise this extension for filing of its accounts, given the requirement of 21 clear days' notice, the meeting for laying its reports and accounts before shareholders and appoint auditors will not coincide with the AGM, as has been the case in previous years. Therefore, a separate meeting of shareholders is intended to be convened for 12 February 2021, at which meeting, the Company will lay its reports and accounts before the shareholders and appoint auditors as well as authorise the Board to determine the auditor's remuneration. It is anticipated that the Company's annual report and accounts will be published and

sent to shareholders along with the relevant circular in January 2021 giving required notice of at least 21 clear days prior to date of the meeting.

Finally, taking into account that at the general meeting of the Company to be held on 13 January 2021 resolutions are being proposed to refresh the authority of the directors to allot shares and to dis-apply statutory pre-emption rights, the Board is not proposing to seek authorities and powers at the AGM to allot and issue further shares (or grant rights over shares) in the Company.

5. Action to be taken

Voting on all of the proposed resolutions set out in the Notice will be conducted on a poll which reflects shareholders' voting intentions in respect of shares held and votes tendered. All shareholders are urged to appoint the chairman of the AGM as their proxy, with voting instructions. For each of the resolutions to be passed, more than half of the total voting rights of members who (being entitled to do so) vote must be in favour of the resolution.

You can vote:

- by logging on to www.signalshares.com and following the instructions; if you need help with voting online, please contact our registrar, Link Asset Services (the "**Registrar**"), on 0871 664 0300 if calling within the United Kingdom or +44 371 664 0300 if calling from outside the United Kingdom or by emailing shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 am and 5.30 pm, Monday to Friday excluding public holidays in England and Wales;
- in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in note 5 of the Notes;
- by requesting a hard copy form of proxy directly from the Registrar on 0871 664 0300 if calling within the United Kingdom or +44 371 664 0300 if calling from outside the United Kingdom or by emailing shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 am and 5.30 pm, Monday to Friday excluding public holidays in England and Wales. All proxy instructions must be received by the Registrar by no later than 11.00 a.m. on Wednesday, 27 January 2021. If you do not complete and return a valid proxy appointment, no-one else may vote on your behalf. For full details of the procedure for appointing a proxy, please see the Notes and the form of proxy.

6. Recommendation

The directors consider the resolutions which are set out in the Notice and which are to be proposed at the forthcoming AGM, to be in the best interests of the Company and of shareholders as a whole and unanimously recommend shareholders to vote in favour of all such resolutions, as each of the directors intends to do in respect of their own beneficial holding (except in relation to those resolutions in which the director is interested). The directors have a beneficial interest in 563,560 ordinary shares of 1 penny each in the capital of the Company representing approximately 0.76 per cent. of the Company's issued share capital.

Yours faithfully

Clive Richardson
Chairman

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the annual general meeting of InfraStrata plc (the “**Company**”) (the “**AGM**”) will be held on Sunday, 31 January 2021 at 11.00 a.m. at Northern & Shell Building, 10 Lower Thames Street, London EC3R 6AF. The business of the AGM will be to consider and, if thought fit, pass all of the following resolutions which will be proposed as ordinary resolutions.

The AGM is a closed meeting, in light of the UK Government’s restrictions on public gatherings and non-essential travel, which are in place at the time of issuing this notice. Shareholders will not be permitted entry to the AGM.

Ordinary Business:

1. To re-appoint Clive Richardson, who is subject to re-appointment in accordance with Article 87 of the Company’s articles of association (the “**Articles**”), as a director of the Company.
2. To re-appoint John Wood, who retires by rotation in accordance with Article 92.2 of the Articles, as a director of the Company.

BY ORDER OF THE BOARD

Dated: 8 January 2021

Explanatory Notes to the Resolutions:

An explanation of each of the resolutions contained in the notice of meeting is set out below.

The resolutions will be proposed as ordinary resolutions. For each of the resolutions to be passed, more than half of the total voting rights of members who (being entitled to do so) vote must be in favour of the resolution.

Resolution 1: Reappointment of Clive Richardson

The Company's articles of association (the "**Articles**") provide that where the directors have appointed a person to be a director of the Company, that Director is to retire at the next following annual general meeting and may seek re-appointment. Clive Richardson has been appointed since the last annual general meeting and is standing for re-appointment. Resolution 1 will authorise his re-appointment.

Resolution 2: Retirement and reappointment of John Wood

The Articles also provide that at each annual general meeting of the Company, one third of directors who are subject to retirement by rotation or, if their number is not three or a multiple of three, the number nearest to but not exceeding one third, shall retire from office. If there are fewer than three directors who are subject to retirement by rotation, one director shall retire from office. John Wood is retiring by rotation and is standing for re-appointment. Resolution 2 will authorise his re-appointment.

Notes:

1. Attending the Annual General Meeting

In light of the UK Government's restrictions on public gatherings and non-essential travel, it has been confirmed that attendance at a general meeting by shareholders is not 'essential for work purposes', and as such shareholders, proxies and other attendees will not be permitted to attend the annual general meeting ("AGM") and may be refused entry. Shareholders are kindly urged to vote by proxy, appointing the chairman of the meeting as their proxy, with voting instructions.

Only those shareholders entered in the register of members of the Company as at close of business on Wednesday, 27 January 2021 or, in the event that the AGM is adjourned, in the register of members of the Company as at close of business two business days prior to the adjourned AGM will be entitled to vote at the AGM in respect of the number of shares registered in their name at that time. Subsequent changes to entries on the register of members will be disregarded in determining the rights of any person to vote at the AGM.

2. Appointment of proxies

The meeting will be run as a closed meeting and shareholders are not permitted to attend. As such shareholders are encouraged to appoint the chairman of the meeting as their proxy rather than a named person who will not be permitted to attend the meeting. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in accordance with any specific proxy appointment instructions.

A member may instruct their proxy to withhold their vote on any resolution to be considered at the AGM by marking the 'Vote Withheld' option when appointing their proxy. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or withhold their vote at his or her discretion.

In order for a proxy appointment to be valid, your appointment must be received no later than 11.00 a.m. on Wednesday, 27 January 2021 or, in the event that the AGM is adjourned, by no later than 48 hours (excluding non-business days) before the time of any adjourned AGM or, in the case of a poll taken otherwise than at or on the same day as the AGM or adjourned AGM, for the taking of the poll at which it is to be used.

3. Appointment of a proxy online

Members may appoint a proxy online at www.signalshares.com (the "**Website**") by following the on-screen instructions, in particular at the 'Proxy Voting' link, by no later than the deadline set out in note 2 above. In order to appoint a proxy using the Website, members will need to log in to their Signal Shares account, or register if they have not previously done so. To register members will need to identify themselves with their Investor Code which is detailed on their share certificate or available from our registrar, Link Asset Services, on 0871 664 0300 if calling within the United Kingdom or +44 371 664 0300 if calling from outside the United Kingdom. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 am and 5.30 pm, Monday to Friday excluding public holidays in England and Wales.

4. Appointment of a proxy using a form of proxy

As an alternative to appointing a proxy online, you may request a hard copy form of proxy directly from our Registrar, Link Asset Services, by emailing shareholderenquiries@linkgroup.co.uk or by calling the Registrar's helpline number, the details of which are set out in note 3 above.

To be valid, the completed and signed form of proxy must be lodged at the office of Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU (together with any power of attorney or other authority under which it is signed or a notarially certified copy of such power or authority) by no later than the deadline set out in note 2 above. To appoint more than one proxy using a hard copy form of proxy you may photocopy the form of proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. If possible, all forms should be returned together in the same envelope.

5. Appointment of a proxy through CREST

CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual and by logging on to the following website: www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (the 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('Euroclear') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Link Asset Services (ID RA10) by no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Asset Services is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s) to procure

that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. Appointment of a proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy (in hard copy, online or through CREST), only the appointment submitted by the more senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the more senior). For proxy appointments submitted by hard copy, the signature of only one of the joint holders is required on the form of proxy.

7. Changing a proxy appointment

To change your proxy instructions, simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions: any amended proxy appointment received after the relevant cut-off time will be disregarded.

If you submit more than one valid proxy appointment in respect of the same shares, the appointment received last before the latest time for the receipt of proxies will take precedence.

8. Revocation of a proxy appointment

In order to revoke a proxy instruction, you will need to inform the Company by sending a signed notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU. In the case of a member that is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the Company or a duly appointed attorney for the Company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Asset Services no later than 11.00 a.m. on Wednesday, 27 January 2021. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, then your proxy appointment will remain valid.

9. Corporate representatives

Any corporation which is a member may appoint one or more corporate representatives. Members can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. Members cannot appoint more than one corporate representative to exercise the rights attached to the same share(s).

10. Voting rights

At close of business on 7 January 2021 (being the last practical date before the publication of this document), the Company's issued share capital consisted of 73,784,094 ordinary shares, each carrying the right to one vote at a general meeting of the Company. As at the date of this document, the Company does not hold any ordinary shares in treasury. Therefore, the total number of voting rights in the Company as at 7 January 2021 was 73,784,094.

Voting on all of the proposed resolutions set out in the notice of AGM will be conducted on a poll which reflects shareholders' voting intentions in respect of shares held and votes tendered. For each of the resolutions to be passed, more than half of the total voting rights of members who (being entitled to do so) vote must be in favour of the resolution.

11. Questions from shareholders

Please note that as shareholders will not be able to attend this year's AGM the Company is proposing to allow shareholders the opportunity to raise any issues or concerns arising from the business proposed to be conducted at the meeting. Appropriate questions on the business of the meeting should be emailed to investor@infrastratapl.com before 5.00 p.m. on 25 January 2021 and responses will be posted on the Company's website on the morning of the AGM. The Company must answer any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
